11. Sustainability- Discuss any ideas you have for how you might continue the work of your project long-term.

Section 3: Advisor Agreement

Thank you for volunteering to be an advisor for the group of students applying for the PowerUp and BearPower Ambassador Program. Upon your team being selected to receive a financial award, your role will include the following:

- Be available to attend monthly check-in meetings with their student group and the PowerUp team (dates TBD at first kick-off meeting)
- Channel information between students and the PowerUp or BearPower team when necessary
- Promote and facilitate creativity and innovation
- Act as a resource person and evaluate projects for reasonable objectives, performance and progress
- Be willing to assist the students, but will encourage independence as much as possible
- Consistently provide leadership development and skills training whenever necessary
- Serve as a troubleshooter for the group
- Encourage the division of work and equal participation among group members
- Ensure students meet the deadlines and required volunteer hours
- Provide guidance on budgeting and purchasing of project materials

I, _____, understand the above responsibilities as an advisor for the PowerUp Ambassador Program.

Date

4: Student Terms of Agreement

Upon being selected to receive funding, each team member must agree to the following:

1. Project goals and objectives will be realistic
2. Activities listed in this application will NOT be substituted with another unless agreed upon in advance with the PowerUp or BearPower team
3. The activities will be completed within the time schedule
4. Upon completion of the project, the team will submit a written reflection of the results
5. The project funding from PowerUp and BearPower will not exceed the granted financial limit (\$500)
