

# TEST YOUR TASTE BUDS

Throw an Apple-tizer Party!

**Pick up a few varieties of apples**, like Granny Smith, Golden Delicious, Crisp-in and more. Taste test the apples with your family and friends. Have the kids create a fun "apple voting" ballot. Then ask everyone to taste and vote on their favorite, most sour, most sweet...well you get the hint!

**Apples we're tasting:** \_\_\_\_\_

**Grab five different green fruits and veggies.** Take turns tasting them with your eyes closed. Can you guess what they are? Draw the fruits and veggies here. Circle your favorite.
